

# WANTED

## PRODUCERS SEEKING SOIL HEALTH INFORMATION

### We are coming to a community near you!

- March 6—Roblin, MB Life and Arts Centre
- March 6— Coaldale, AB Mans Organics (8am-4pm)  
(Integrating Nutrition and Biology toward Plant and Soil Health)
- March 8—Portage la Prairie, MB MNP Ex. Building
- March 13—Canora, SK Canora Activity Centre
- March 15—Naicam, SK Naicam Town Hall
- March 19—Kindersley, SK West Central Event Centre
- March 27—Outlook, SK Outlook Heritage Centre

### **Lunch provided 11:30—12:30, FREE meeting to follow.**

You are invited to come have lunch with us and spend time learning about Back To Your Roots Soil Solutions Inc. and what we have to offer.

We help build soil health and resilience, improve crop quality and identify farming practices to help regenerate your soil. We look forward to meeting you!

Please RSVP to 306-747-4744
