Leduc County, AB T4X 2N4

September 11, 2026

Dear Mr. Moline,

Thank you for applying for organic input material approval with the Centre for Systems Integration (CSI). We have completed our review of the inspection report submitted for approval of your input material(s).

Please note that if you make any changes to your operation over the course of the year, you must amend your application and submit the changes to CSI for review.

Congratulations on achieving approval of your input. Your product list and attestation of compliance are enclosed.

Yours truly,

Jennifer Scott
Manager of Client Programs

Attestation Number: 8034-INP-26

Initial Effective Date: 11-Sep-2026

Attestation Expiry Date: 31-Mar-2027

Attestation of Input Compliance

This attestation is based on the compliance of products which are approved for use in organic production, at the discretion of the operator's certification body, with the national organic standards of Canada CAN/CGSB-32.310 and 32.311.

This attestation expires on the date noted above or until it is suspended or cancelled by the Centre for Systems Integration.

High Brix Manufacturing Inc.

25147 Township Road 490

Leduc County, AB, T4X 2N4, Canada.

This attestation confirms the compliance of the products as per the attached list.

· **Protective Clothing or Equipment:** Skin contact with dust should be minimized through use of gloves and suitable long-sleeved clothing selected with regard for use condition exposure potential.
· **Work/Hygienic Practices:** Wash hands prior to eating, drinking or using rest rooms.

Section 9: Physical and Chemical Properties

· **Appearance:** Speckled white powder
· **Odor:** Characteristic, mild odor
· **Boiling Point:** Not applicable
· **Solubility:** Soluble in water
· **Physical State:** Powder
· **pH:** N/A
· **Specific Gravity:** N/A
· **Vapor pressure:** N/A
· **Vapor Density:** N/A
· **Boiling Point:** N/A
· **Freezing Point:** N/A
· **Flammability:** Non combustible.

Section 10: Stability and Reactivity

· **Stability:** Stable
· **Conditions to avoid:** Exposure to moist air to avoid absorption of water from air.
· **Incompatibility:** Acids
· **Polymerization:** Will not occur.
· **Hazardous Dexomposition:** None known.

Section 11: Toxicological Information

· **Contact Soil Works** for comprehensive list. No danger present.

Section 12: Ecological Information

· **Environmental fate and toxcicity:** No information found.

Section 13: Disposal Considerations

· **Disposal of product** must meet all federal and state regulations upon disposal.
· **Check local landfills** for rules and regulations.

Section 14: Transport Information

· **Not regulated as Hazardous Material.**
· **Trucking Class:** 50 NMFC # 68140-5

Section 15: Regulatory Information

· **Domestic Information**

OSHA Hazards: Irritant
SARA 302 Components: No chemicals in this material are subject to the reporting.
requirements of SARA Title III, Section 302.
SARA 313 Components: This material does not contain any chemical components.
With known CAS number that exceed the threshold (De Minimis) reporting levels.
Established by SARA Title III, Section 313.
SARA 311/312 Hazards: Acute health hazard.
Massachusetts Right To Know Components: None.
Pennsylvania Right To Know Components: None
New Jersey Right to Know Components: None
California Prop. 65 Components: This product does not contain any chemicals known to the State of California to cause cancer, birth defects, or any other reproductive harm.
US Federal: CAS #: 471-34-1

· **Risk Phrases**

R 36/37/38 Irritating to eyes, repiratory system and skin.

· **Safety Phrases**

S 26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
S 37/39 Wear suitable gloves and eye/face protection.
WGK (Water/Danger Protection)
CAS #: 471-34-1

Section 16: Other Information

· **The above information should be used as a guideline.** The information provided is true to the best of the companie's ability and should not be used as an all-inclusive list of safety standards. Contact Soil Works if more information is requested.
